Please send your application (CV and motivation/cover letter) to office@dhp.lbg.ac.at. We offer you an interesting position in one of the largest private research organizations in Austria. The Ludwig Boltzmann Institutes are part of the Ludwig Boltzmann Gesellschaft, a research institution with a thematic focus on medicine, life sciences and the humanities, social sciences and cultural sciences, and is specifically targeting new research topics in Austria. Together with academic and implementing partners, the LBG is currently running 21 institutes and develops and tests new forms of collaboration between science and non-scientific actors such as companies, the public sector and civil society. Socially relevant challenges, to which research can contribute, are to be recognized at an early stage and taken up. The Ludwig Boltzmann Gesellschaft employs 550 people. You will encounter a dynamic environment, appreciative teamwork as well as further training and personal development opportunities.
